Frequently Asked Questions

1. What college/university ABA coursework is acceptable for becoming licensed by the Kentucky ABA board?

Answer: *The Kentucky ABA Board requires certification through the Behavior Analyst Certification Board (BACB) and is not responsible for selecting or approving ABA course sequences. The BACB is responsible for approving each Verified Course Sequence (VCS) as meeting specific coursework and faculty standards. Applicants can search the VCS directory at <https://www.bacb.com/verified-course-sequences>. (Note: Applicants who are educators seeking rank change or promotion should verify that option by contacting the program coordinator provided for each VCS in the directory.) For information about the complete requirements for certification please visit the BACB website at www.bacb.com.*
